# GTM for GDs

Discussion Flow- Product ->STP -> 4P -> Packaging

As a group, try to determine what is the product that you are doing the GTM for. If the product is mentioned explicitly, we can move to STP directly, otherwise the group needs to decide what is the product that they will do STP, 4P on

## Targeting-

Select one or more customer segments derived from the segmentation based on who is the most approachable, profitable and can be best served by the company's products

**Mass Market -** Firm can sell one product to several segments with product specialization. Eg. John Players

**Niche-** Firm focus on serving many needs of a specific customer segment with market specialization. Eg- Manyavar

## Positioning –

Creating a favourable, unique & distinctive image (or position) for the product in the mind of the consumer.

Focus on POD (Point of Difference), POP (Points of Parity) and Perception Map vis a vis the competitors and the industry

## 4P

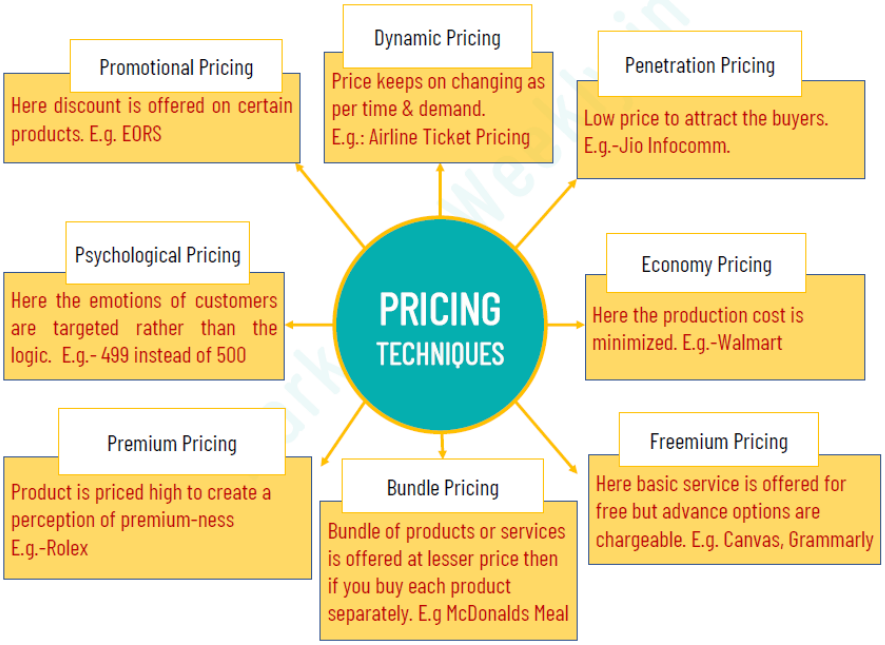
### Product-

**Place-** Discuss the type of audience you are targeting.

Decide the cities/regions that you are going to target. Discuss different channels of selling (Mom & Pop Stores, Modern Retail, Online Channels/Ecommerce etc.) which will be most suitable for them

**Promotion-** Discuss different types of promotion strategies including Advertising, Sales Promotions (Trade Promotions, Sales Force etc. and Online & Social Media Marketing

### Price-



**Packaging-** Discuss different SKUs which can be released for your product.

- For Inducing trials or to target rural marketing, you can release smaller trial SKUs (Sachets, Pillow Packs etc.)
- For Premium Segment, focus on premium quality packaging (For eg. Ferrero Rocher or Dark Fantasy)
- For B2B customers, focus on bigger packs with sturdy packaging
